

Principal's Welcome Message

Dear Newton School Families,

I hope you are soaking in the last moments with your children as summer winds down and are getting excited as we gear up to start a new school year. Everyone at Newton School is so excited to welcome students back for another year of learning, growth, friendship and fun.

Sometimes the start of a new school year can bring a mix of emotions. It is completely natural for students and families to feel both excitement and nervousness as the beginning of school draws closer. Please know that everyone at Newton School is here to help. If we can answer any questions or provide reassurance, please do not hesitate to reach out to your child's teacher or to me. If you have not received a welcome letter from your child's teacher, it should arrive in the next few days. We are looking forward to seeing you soon!

Yours in service and partnership,
Principal Kristen Heath
