

Student Council - November brings such stuco staples of Lip syncs, pep rallies and partnering with the boy scouts to "scout for food". Scouting was a huge success. Together we helped collect over 2000 pounds of food. Next week several students will attend the regional student council conference at Longmeadow High School. Planning for the pep rally is coming along well and this year we will host a scavenger hunt in lieu of the annual turkey bingo. Students are planning their spirit week costumes and collecting their pennies for penny wars. All money raised from Penny Wars will be donated to the Special Olympics via our annual Polar Plunge.

Key Club- Key Club participated in the First Annual Trunk or Treat at Stoneleigh-Burnham School on October 29th- great costumes and dancing, great Halloween decorations and yummy treats were provided for over 100 Trick or Treaters. We are preparing for the traditional Green Wave Turkey Trot which will be held on Wednesday, November 22nd at 8:15- fun run/walk, DJ, Hot Cocoa, Thanksgiving themed games and memory making!

Spanish Club - Spanish Club celebrated Dia de Los Muertos with face painting and sharing before school on the day of the dead. We continue to plan and fundraise for our upcoming trip to Spain, Italy and France in April. We are currently selling holiday wreaths and planning for a fudge fundraiser. Our after school meetings have included practicing ordering food in a restaurant and of course dancing to prepare for our performance in the Thanksgiving pep rally!

Athletics- Good Evening! Fall sports have come to a close with great success! Field Hockey and Boys Soccer made the state tournament. Soccer traveled to Salem Academy in the prelim round and lost 4-0. They put up a good fight as it was 1-0 at ½. Field Hockey won they're round of 32 game 2-1 in overtime vs Northbridge HS. In the round of 16 game the girls lost a nail biter 2-1 in OT at Sutton HS. Congratulations on the MIAA State Tournament! WE want to wish all the Senior Fall Athletes good luck in their future endeavors!

Winter sports start Mon November 27. Look for basketball, ice hockey and indoor track schedules on Arbiterlive.com. GO WAVE!

French Club - French Club hosted a well-attended movie night on October 23rd where we enjoyed the lighthearted French animated film "Un Monstre à Paris". We continue to fundraise for our trip to France in April and have begun preparations for our Coffeehouse talent show event, which will be on Thursday, December 14th from 6-8pm in the GHS auditorium. Our next meeting will be after school on Monday, December 4th and all are welcome to join.

Drama Club - Drama Club is excited to announce our Spring play, Myth Adventures by Eric Coble, a comedy-drama retelling of five classic Greek myths. Auditions will be after school on Monday, November 13th and Tuesday, November 14th in the auditorium and are open to all GHS students.

Library Club - Library Club hosted the 4th annual GHS Comic Con after school on October 25th. We welcomed students and librarians from the Mohawk Trail Regional School and the Pioneer Valley Regional School. We thank Greenfield Public Library for collaborating on this

event, as well as the guest presenters from Looky Here, The Imaginary Bookshop, Tumble Science Media and Podcast, and game designer Chris Foster of Hidden Door.

Library - The Advanced European History class has been working in the library researching Renaissance artists, which will culminate in the students giving 12-14 minute presentation on the artist they researched. As part of our learning, we are excited to be taking a field trip tomorrow to the Museum of Fine Arts in Boston to see a special exhibit on Strong Women of the Renaissance and to visit the museum's other medieval, Renaissance, and classic Greek and Roman art on display.

Band - we celebrated our six seniors at a football game for their years dedicated to the music department. We will be marching this weekend in the Veteran's Day parade. Members of the community have asked why the band is so small. It is challenging to have a thriving music department when the program keeps being impacted at the elementary and middle school level. We hope that this will be a priority in the future to help rebuild the program.

NHS - NHS officers have begun a campaign to speak to underclassmen about the current situation in the hallways and bathrooms during class time. Our student leaders

Student Voice: Student anxiety was rather high as grades recently closed for Quarter one, and students began to shift focus towards the incoming term, and the schedule changes that are to follow in the coming weeks.

At the same time, many students are now banding together to prepare for the Lip Sync performances that will occur on Wednesday, the 22nd, just before we leave for break. The year's theme is Artists, and each grade has met numerous times already to throw together their act.

Generally, spirits are stable as we are approaching the break and the academic load can be forgotten for a few days. While the situation has seemed to mildly improve, students still feel qualms in regards to the situation of the bathrooms. Some have begun to open, yet the ability to conveniently access restrooms conveniently has been challenged. The restrooms that are not open are closed due to repairs needed. This makes it difficult for students to find an open space. Beyond that, for those that are open, they are facing overcrowding as students flock to them to occupy the space during class time. These factors all culminate to hinder the accessibility of these facilities for students seeking to use them for their intended purpose. Administrators have

had to be stationed outside of certain locations in times of passing to ensure that people leave and move to their oncoming class.

On Friday NHS Officers spoke to members of the 8th and 10th grade on these issues and more using their platform with the intent to push for appropriate usage and behaviors.
