Discussion ensued relative to the development of an ad hoc literacy committee, as well as all the wonderful work the Greenfield Education Foundation does to support our district.

5. Review and discuss ways the committee can best engage with the community of Greenfield:
This discussion was encompassed during the review of the current goals.

6. Discussion of social media:

This sub-committee was also charged with discussion as it relates to social media:

- It was noted that there is concern that only one person follows and responds to our Facebook (FB) posts – Our posts are not inviting or engaging
- We invest \$3,000/month (\$36,000/yr.) for communication services – It does not seem we are getting our money's worth out of it
- Young kids are not following FB anymore – They are on other social media platforms
