September Newsletter

Good Afternoon GHS Families,

It was great to see so many of you out last night for Meet and Greet! We love meeting families and making connections, so thank you for coming out as we usher in another year together! Anchored in Hope on our path to success is our theme this year, and this comes from what we are experiencing in our community here, in the student and staff experience, and we are excited to continue to grow those experiences, so stay tuned in to our Newsletters, so you are in the know on all things GHS! As we work from this new ParentSquare platform, we will continually make needed adjustments, to make sure we are increasing communication as we go :)

Welcome Back!

Mike

What to Expect

Typically, our Newsletter will include information about upcoming events, pictures from recent events, clubs, athletics, as well as important reminders from the nurse and guidance. As we move into this format, we will still post our monthly Newsletter, but there will be more posts about individual events, sometimes as a reminder, or even adjustments to events that will be happening before the next Newsletter comes out. So as we grow the norms for this new format, we look forward to hearing your valuable input, as we improve together! We always hold class assemblies the first day, so we can welcome each class back, review norms and reconnect with each grade!

First Day 9/2/26

Just a reminder from the post last week that tomorrow is the first day! The school day is from 7:45-2:10. Students should plan to arrive by 7:40 and be in their class by 7:45.

Return First Day Forms

This is a friendly reminder to return the first day packet that was recently send out.

ParentSquare

Another exciting change this year is our move into the ParentSquare platform, as it is able to be personalized to your needs and allow for a centralized location for posts to stay informed. So look for these posts as this is a great way to see what is happening and how you can be a part of it!

French Club

French Club will hold its first meeting on Monday, September 21st after school from 2:15-3:00pm in Madame's classroom. All students are welcome to come hear about all of the exciting events we have planned for this year, including French movie nights, cooking classes, Coffeehouse and Taste of World Cultures, and a trip to Montreal and Quebec during February break!

For all interested in the trip, please plan to attend an info meeting with an adult on Tuesday, September 29th from 6:30-7:30pm in the GHS Lecture Hall. RSVP to the meeting or request more info here! [**https://forms.gle/1UTo1pC54EqXy6qR8**](https://forms.gle/1UTo1pC54EqXy6qR8)
