**Library-** To help prevent summer learning loss, GHS library is running a summer reading challenge. Students are encouraged to read a book - or two - or more - from the Massachusetts Teen Choice Book Award nominee list. Students can then submit a Google entry form, on the GHS library website, for each book they read to be entered into the prize drawing. If they submit a photo of themselves reading this summer they get an additional entry. All participants will receive a prize and a pizza party in the fall. One lucky winner will get a \$30 gift certificate to the Garden Cinema.

**Library Club** had its end of year picnic yesterday to celebrate our final meeting of the year. We are already planning fun events for next school year.

**Spectrum -** Spectrum had so much fun this weekend marching in the Franklin County Pride parade and attending the rally at energy park! Thank you to all the students and staff from outside of our club who also marched with us.

**French -** French Club hosted a fun and well-attended Spring Coffeehouse on May 25th and held an end-of-the-year celebration this afternoon with food and games. Tomorrow night at 6:30pm in the GHS auditorium, we premiere the 45-minute student film "Suivez la piste" ("*swee-VAY la PEEST*"), a detective thriller based on a radio play we read in French 4. The film is in French with English subtitles and admission is \$5. All are welcome!

**Spanish -**

**Key Club -** Key Club celebrated and graduated terrific seniors. On June 5 members planned and presented a Field Day for all students at the Academy of Early Learning. Featured were parachute games, agility courses, relay races, beachball volleyball and games. Freeze pops and a good time were had by all. Finishing the school year will be officer elections and volunteering on Juneteenth and GPS Summer Kickoff.

**General-**

**Student Voice -** Last week any Sophomores and Juniors who chose to do so attended the AP class meeting to hear about their summer work and receive contracts. Each class comes with its own expected summer work to be completed, which students were given along with an overview of what they should expect from the coming year.

As the year draws to a close, Students are beginning to prepare to take their final exams starting this Friday into next week. After the underclassmen awards ceremony in the morning, students will take their Period 7 final this Friday afternoon. Once returning from a three day weekend next week, we will move into a week consisting solely of finals spread out across three half days. This will carry us through to the last day of school. which will be next Thursday, June 22nd.
